# O. James Clark

As the first semester came to a close, this man was promoted to a higher educational job. We, the Yearbook Staff of 1981, wish Mr. Clark good-luck in his new job and dedicate the final yearbook of his days as principal of Dow High to him. Along with this dedication, he has been honored with the game-ball of the victorious Midland/Dow Basketball game and a scholarship to Miniwanca left in his name by the Student Union. NHS, decorated his old and new offices with expressions of the thoughts of all the students and faculty who enjoyed and gained from his interest, initiative and ingenuity displayed here at Dow.

"Each year I look forward to the many new experiences that come with being an educator. It has been a source of real pleasure to be associated with so many fine, capable students and staff members over the years. James Clark

Janice Goodall enjoys cruising in her gorgeous boat on beautiful Sanford Lake and dislikes exaggerations. David Morrison enjoys the outdoors but is concerned with the vanishing wildlife. He keeps active through snow and water skiing, tennis, racquetball and cycling. Libby Stearns adores all and any cats, likes to read, garden and teenagers. James Clark looks forward to new experiences as an educator every new school year. It has been his pleasure to be associated with so many fine students and staff members over the years. Dear Yearbook - My apology for being so late.

A Philosophy: if the stars in a night sky are like God's jewel  
box, then students are as rough stones in the  
process of becoming polished.

A Reality: Education is a challenge in today's world of abhorrent  
entertainment and consequently can be a very  
frustrating line of work.

A Copromise: Don't worry about it!

J. C. Schutt

## PERFECT JUSTICE

"WHAT I DID LAST SUMMER,"  
"WHAT I WANT TO BE,"  
THE "DICTION" OF THIS SHORT STORY,  
WHAT THE "THEME" MIGHT BE...

ALL THE FAVORITE QUESTIONS  
TEACHERS ALWAYS ASK—  
SO THIS IS PERFECT JUSTICE:  
SET US OUR OWN TASK.

MAKE US TELL OUR "HOBBY,"  
OUR "BACKGROUND," HEIGHT AND WEIGHT,  
TELL US IT'S DUE FOR MONDAY,  
MAKE US STAY UP LATE.

WHO CARES WHERE WE WENT TO SCHOOL  
OR IF WE LIKE STAMP TRADING?!  
BUT IT MUST BE GREAT TO WATCH US SQUIRM  
AND GET TO DO THE GRADING!

Marilyn Yamato  
8th hour

A goofy poem can tell my story  
better than a paragraph can.  
I teach because I like to teach.  
Anything fake I cannot stand.

Typewriters make lots of noise  
but it filters through my brain.  
The fun of people learning to type  
helps dissipate the noisy pain.

Pat Sullivan really enjoys the friendly relationship that can happen between teachers and students. He also enjoys politics, jogging, sailing, and life itself. He dislikes people who don't care for themselves or anybody else. Nancy Low Priehs likes chocolate, dancing, the East Coast, and animals. She even taught groups of dogs to obey their owners. Teaching is very self-satisfying to Dave Chalk. He likes all forms of outdoor activities; camping hiking, canoeing. Boy Scout activities take up most of his time. Brenda Linley is a native Midlander. "Unity in '80!" That was the slogan for the 1980 Dow Chargers, and no slogan could have fit the team better. The team went through some rough times during the year, but through it all we stayed together for one of the more exciting seasons in recent memory. It is impossible to single out any individuals from this team. It was truly a season of "Unity in '80!" Gary Cofer

With the help of a fine coach, better known as Frau, this year's Varsity Pom pon squad kept the crowds entertained with their usual halftime routines. In addition to their halftime routines the 12 girls attended 3 clinics and helped to support the hockey team. Memories of the 1980-81 football and basketball season will be cherished by the squad. Such things as: the extra lights at homecoming, Dino's, the Sweet Onion, ever faithful Ponderosa and the B-day surprise swims. (Right Frau?) Not to mention he introduction at "Meet the Chargers." (Uncle Sam's) And no one will forget the b-ball game when they appeared in shorts with surfboards in hand or jeans and cowboy hats, instead of their uniforms-or the many candy bar wrappers found at the bottom of the locker or riding on the fire truck in the homecoming parade. Although the year was full of fun, hard work played a big part along with the long hours.

The 1980 Cross Country team began the season with one thing in mind: to become a competitive team. This was accomplished. Finishing the season with a 9 and 6 dual meet record, highlighted by the history making victory over Midland High, the young team became known to many outstanding cross country teams as a team to watch. Finishing in the middle of the pack in the larger invitational was accepted by the team knowing everyone would be returning for 1981 season. Mike Mara finished an outstanding season by finishing fifty in the State Meet. Mike also won the individual Regional Championship, The Delta Invitational, and was runner-up at the Saginaw Valley Conference Meet. Hans Martin and Park Secord had very consistent running performances all season; both are rated as top cross country runners in Dow history.

The 1980 H.H. Dow golf team resembled a roller coaster more than anything else. We ended with an alright 11-9 season, continuing the Charger tradition of never having a losing season in golf. We also managed to break a record or two if we count the 103 at the Saginaw Country Club. The ups and downs may have been a result of our failure to set our priorities and play good golf. Somehow, we felt that playing hockey on the football field, hitting golf balls into the tennis courts, and earning ridiculous nicknames was more important. Our appropriate and well-earned nicknames included, Hip Chop Hack (Mike Wehmuller), O.B. Hack (Jim Stumpf), Duffy Hack (Mike Kessler), Total Hack (Bill Stumpf), Johnnie Noputt (Jeff Mills), and Scratch (Eric Eichorn). As we, the seniors on the team, leave Dow High, I'm sure we'll all remember the great times we had out on the links. And lastly, I'd like to especially thank Coach Smith for having the courage to put up with the seniors for 3 years.

## 13 is a Happy Number

The boys' Varsity Basketball season is year round with Varsity Sports and Summer Camps. In three years at Dow, we Seniors have seen the Varsity record climb from 13-9 to 16-5 to our present record 15-4 (with one game and state tournament to go.) We have enjoyed helping build a winning tradition at H.H. Dow. As with any large family (coach and 13 hoopers) we have our memories: The great locker contest ... nicknames (Burhead?) ... Hoyt's seriously broken blade ... Nort throwing up at Central ... 6 am practice ... playing walrus at Stratford pond ... jamming contests ... pre-game Ponderosa ... postgame parties ... Mills the Presbyterian ... the Olympic Food Throws ... HBO at Coach's ... playing Saginaw High ... winning 12 in a row ... a 5th place state ranking ... the crowd at the Flint Central game ... 7 team slams ... beating MHS in both regular season games ... loving the chance to play as and for the Chargers.

Being a varsity basketball cheerleader in my senior year has been very exciting for me. Meeting new people and making new friends and learning new things is what cheerleading is all about. All the girls on the squad were sweet and we have many memories we'll never forget, like: "Marth missed", "Denise you're wearing blue (or red) lollipops," mostly ... "what cheer are we doing?" "Laura, you go over there!" "Oh W and "Who can do the splits?" The season wouldn't have been the same without the great Basketball team that we were blessed with. We loved them all dearly and will never forget them. The basketball season of 1981 will never be forgotten nor will the people associated with it.

# J.V. Cheerleading

Cheers • Mounts • Jumps • Splits • Routines • Yelling • Posters •

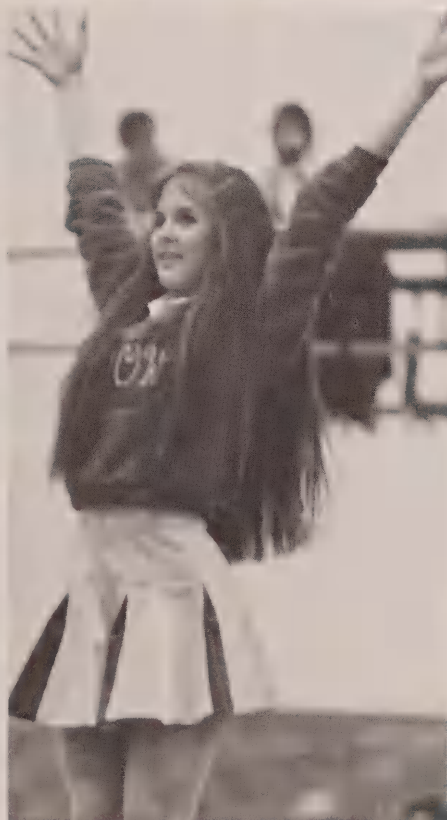

Cheering for the J.V. Basketball Players was an experience none of us will ever forget. We drove the bus drivers absolutely crazy with our "music" and chants, and we always managed to get to the games late. Oh, and we musn't forget our bruises we got from practicing our famous wobbly mounts.

Even though we weren't quite all together most of the time, we really did try. Thanks to our new coach, Diane Method, we actually learned to control our tempers ... a little bit. But it was only by the grace of God that we all didn't get pneumonia from the draft of our skirts being flipped up.

All in all it was a great season and I don't think any of us would change it if we had it to do all over again.

The Varsity Volleyball team ran a 5-1 (5 spikers, 1 setter) multiple offense. With the use of this strategy they completed a 14-0 season and look forward to districts. In addition to such an outstanding record, the team took a first place in the Garber Invitational.

The team was head by two senior captains, Jane Hansen and Janice Madison. Miss Aiken is looking forward to next year.

She will have 7 returning lettermen to work with to defend her 14-0 record of 1981!!

Good Luck!!

The girl's J.V. Volleyball team of 1981 has the potential to have an undefeated season. That is the main goal for the team. All the girls on the team contribute to the team's success and to the team goal, but each player has a goal to work for within themselves: to reach their maximum ability. The coach has a lot to do with the team's success. She works them hard, but in the end it will pay off. Each player contributes to the team with their individual skills, but most of all, their team support. All of this contributes to the team's success and the potential to be winners.

The Varsity season record was 16-6 after having wrestled 7 of the top 15 schools in the state. Our matmen were Valley champions and placed 3rd in the Districts. Leading Seniors were: Joe Reinke, Jeff Courtright, Steve Hansen, Glen Saller, Mike Smith and Dave Plum. Underclassmen counted on for next year are: Mark Burch, Chris Courtright, Greg Francis, Bob Dilley, Jeff Heffron and Jeff Spencer. The J.V.'s made the Varsity take notice with their own 13-3-1 season.

# Wrestling Cheerleaders

New Sweaters • Pee-Wee Football Concessions • 2 Points • Cheers • Enthusiasm •

The Wrestling cheerleading squad this year was less in number but twice the size in enthusiasm. With five sophomores, they lacked experience, but it didn't show. Jeannie Sova, junior, and Bridget Lovely, senior, were captains and they provided the leadership which helped pull the squad together. We had a lot of fun making up cheers, mounts, and crazy songs about the wrestlers. We all worked hard to earn money for new sweaters by running a concession stand at the Pee-Wee football games, and at the Dow Invitational. It was quite an experience and we're looking forward to next year.

# Boys' Swimming

• Splash • Dive • Freestyle • Butterfly • Backstroke • Breaststroke •

Swimming against some of the best teams in the state, we are off to a good start, with impressive victories in the Vehicle City Relays, our own Dow High Relays and the Midland High Relays. Outstanding performances have been turned by the whole team. Coach Pangborn requires us to put in long hours of hard work but the results are worth it, and we look forward to the underwater football games at the end of practice. We would like to thank all the great Charger fans who came to our meets and helped cheer us on to victory.

# Girls' Swimming

Splash • Dive • Freestyle • Butterfly • Backstroke • Breaststroke • Front Flip • 200 Yard IM • Timers • Kick Bo

The 1980 Girls' Swim Team was a very successful one, as the team placed 1st in the Dow Relays, Midland Relays, and the Valley Championships. We were runners-up at the Tri-City Championships. We sent three divers to regionals and six swimmers to State. Pat Reed placed 10th at State and established a new team record in the 100 Breaststroke. Altogether seven Team Records were set throughout the year.

We didn't hit all our goals as we felt we might beat Douglas Mac Arthur and place more people at State. Our accomplishments also came in our team unity and willingness to meet the demands involved in competitive swimming.

# Hockey

Puck • Icing • Goal • Hat Trick • Check • Score • Skate • Hockey Stick

This year's Hockey team was a good one, with the returning seniors providing good leadership. Another strong point of the team was the goal tending, which kept the game close when we were behind. We played together as a team. The important thing is that we have fun; that's what sports are for!

# Gymnastics

Vault • Uneven Parallel Bars • Mats • Floor • Routines • Splits • Hand Springs

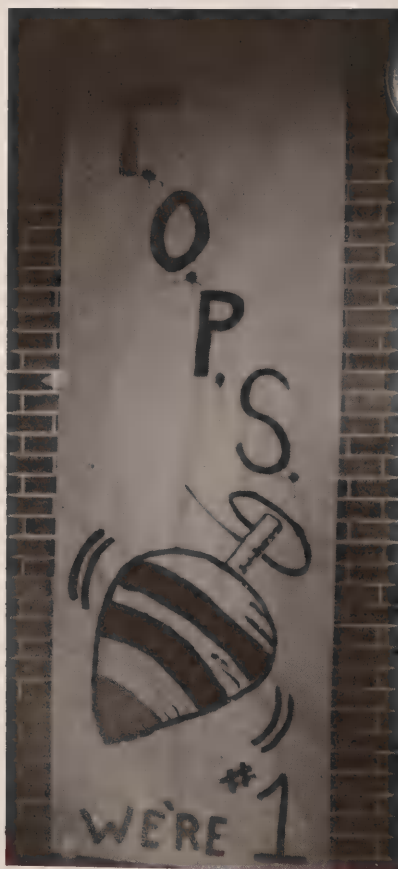

For being such a small team, Dow's gymnastics season went very well as we had a relatively tough schedule and ended up with a season record of 19-9. Our team will always remember Mudget's party, the bus rides home, Molly and her pick, Virginia and her big "K", Trish and her country and western solos, and Mary's extraordinary verbal ability. Mahoney (bird) and her bone spurr, Collette and her Kips, Gail and her poetry, Nancy and her unexpected shower and Sue Casadonte and her disco hip action. Last of all I'd like to wish good luck to all the remaining girls for next year. All of us would like to thank Coach Whitaker for her support (which was hard at times).

"Sprechen Sie Deutsch?" Everyone in the German Club speaks German. Of course, we are all on different levels of fluency. The club goes to Frankenmuth every year with the money we make from our annual rummage sale. We have a great time visiting Bronner's, eating lunch and just visiting the many little shops in Frankenmuth. This year the club had an Oktoberfest. We had the festival at the Four Seasons Health Club. All club members were invited. Some of the members went to Germany this summer with the Midland Edelweiss Klub. Frau Fitzgerald sponsors our club and helps arrange all of our activities. Thanks Frau!!!!

The Spanish Club has been very busy this year. They had one meeting a month and several fun get-togethers. The officers were Jennifer Rogers, president, with Nancy Eyre as president when Jennifer left in January. Val Thompson was the delegate to the Student Union. They had a Halloween Party entitled "Day of the Dead". At the party Javier Mongelos, a junior here at Dow High discussed the Spanish culture. Jennifer Rogers talked on her travels abroad. In December they hosted a movie in the little theatre entitled "Million Dollar Duck." For Epiphany they went to Casa Del Rey for Dinner.

Every time the end of the school year rolls around, a new yearbook is placed into the hand of what this year will be over nine hundred students, faculty and parents. Putting this book together is what the yearbook staff must do during the course of the year. Most staff members work on the yearbook during school service hours. The staff must also sell the ads for the book, take care of underclassmen pictures, sell the book and must importantly collect the pictures and copies to put together the two hundred pages plus supplement, which go to press each year. "I personally would like to thank all the people who helped on this yearbook."

Yearbook Editor, Celia Maneri

The yearbook staff would like to give special thanks to the Student Union who helped fund this year's book.

Coming into Journalism after Jefferson was a big change. I had hopes of writing stories that would be of Woodward and Bernstein level. Well, after three years I haven't uncovered any scandals, but I have learned that working on the newspaper is a lot of hard work. Meeting those last minute deadlines and not always getting the story I wanted to write hasn't always been easy to handle. There are things that made those never-ending nights after school bearable like Myra's jokes, Orson's Perry Mason imitation, Matt's rendition of new wave music and the unity and pride we felt when we put out a good paper. It has been really hard for Mrs. Russell to put up with our "unique" personalities, but we make it!

Late nights, hard work, and satisfaction are all a part of the H.H. Dow Drama Club. All of us performers and technicians have experienced one of these signs at one time or another. Our club won 26 individual and combined awards at the Interscholastic Forensic Association's District contest last spring. The fall production of "The Good Doctor" was the most challenging piece of literature the club has tackled in recent years. The Drama Club also will produce the Renaissance Fair. The spring show will be a musical. This year's officers are president: Jeff Holley, Vice President: Katie Saunders, Secretary: Laura Marriot, Treasurer: Helen Barker, and Historian: Denise Dupree. All of us in the Drama Club would like to thank our director, Mr. Reilly, for inspiring us to put forth our best.

Thespian Troupe 679 is in its twelfth year at Dow High. To belong to the International Thespian Society one must have participated in at least 110 hours of theatrical production. This is the highest honor a high school performer or technician can receive. Our troupe went to Ball State University to attend the International Theatre Arts Conference. It was a week of intensive drama instruction, of meeting new people, and of having a great time. The thespians also participated in the fall production of "The Good Doctor" and we will also help with the Renaissance Fair. The thespians will also be very involved in the production of our spring musical, "How to Succeed in Business Without Really Trying."

The National Honor Society is not just an organization of people who have excelled in academics, the members have also shown qualities of leadership and participation. The function of NHS is to serve the school and the community. Some of these services include tutoring, science programs for first graders, and recording books. The NHS also has a social life. We sponsor dances, run concessions, have picnics, and go caroling at Christmas. The NHS members are all dedicated to improving the community, the school, themselves, and this year's group will do just that.

The NAHS, now in its second year at Dow, is composed of students who achieve at least a B average in art. NAHS is made up of juniors and seniors, while sophomores are initiated in the spring. NAHS undertakes such projects as: stained glass windows in the cafeteria for Christmas, ushering for Ren-Fair (I always wondered who those painted people were), setting up an art gallery for the January open-house and painting the swimming pool area. Another successful event is the Ma-Pa workshop, which allows artists' parents to discover pottery and enjoy a pot luck supper. The membership remains small but should enlarge over the years as the NAHS becomes more prominent in Dow. The society is a great way to identify young talent, plus it is lot of fun.

The Student Union is large this year with 34 active members. The four officers-Jennifer Rogers; President, Tammy Reisig; Vice-President, Gary Cofer; Treasurer, and Kim Pfeifer; Secretary keep things going as they meet first hour (Jeff Ott; Junior President is also there). So far we've been successful with Newcomer's Orientation, the ever popular Magazine Drive, and Spirit Weeks to name a few. For the first time, a new Secretary and President must be appointed because of transfers. We've attended a Leadership Conference and gained new ideas. Our leader, Mr. Lawry, keeps us in line and also quiet as we tend to share ideas loudly. We have a good productive group; Dow High should be proud. Good Luck to the new officers and I'll miss you all-

Loft Practices ▪ Homecoming Parade ▪ Halftime Shows ▪ "Coach" Burgess ▪

This year's Flag Corps was a great success. We marched with the band at six football games, we were in the homecoming parade, and we marched in a pregame show at Northwood game. The girls took turns making up routines and with the help of Mrs. Burgess, had them ready for each half time show. The girls practiced every day during fourth hour band and Tuesdays and Thursdays after school. Sometimes we went outside to learn the routines and other times we worked in the loft. (Thank you fourth hour gym class for cooperating). We had an excellent group of girls with a lot of talent and school spirit. I'm positive that this year's flag corps was the best ever!

We have meetings about once every two weeks and all students interested are invited to attend. This fall we went to Lansing for a conference on African Unity; we stayed in the homes of students in Lansing. While learning about international affairs we discovered that we can have a lot of fun. The Wind Ensemble, directed by Mr. Gary Burgess, is an active group throughout the entire year. Besides the annual Christmas and spring concerts, the band also marches at each home football game, (along with the Concert Band), and plays at all home football games. The band also marches in the homecoming parade and Memorial Day Parade, performs at Renaissance Fair, and plays at graduation. The 1980-81 school year was a successful one for the Wind Ensemble. The group earned straight 1's at the District Festival, qualifying them to participate in the State Festival at Lansing. This year's fruit sale was also a success, with the profits going to help pay for new video equipment, as well as helping to finance a possible exchange trip with an out-of-state band sometime in the future. Congratulations and thanks go to Laurie Speer for an outstanding job as drum majorette for the marching band, and of course to Mr. Burgess for the quality and success of this year's ensemble.

OSU • Canada • Sharps • Flats • Vibrato • Adagio • 1's • Buchert

On the first day of class this year most of the orchestra members grimaced when our new director said he wanted us to be like a family. "How corny!" we thought. But somehow Mr. Buchert's good nature (well, *usually* good-you know the redhead temperament) and enthusiasm got to us, and he is now affectionately known as "dad". Partially because of Mr. B's penchant for pizza, the orchestra has engaged in many "extracurricular" activities this year. And no individuals have confessed yet, but *someone* thought it would be funny to decorate our die-hard O.S.U. fan's car and second-story balcony before the Michigan/Ohio State game. Mr. B. did manage to forgive us, but there's no way he and mom can compete against seventeen kids.

The orchestra makes music before fun, however, and our performances have been very successful this year. We started off early by combining with the M.H.S. strings for a concert in October. Christmas, Ren. Fair, the Fourth-grade Music Appreciation Concert, and the District Orchestra Festival all seemed to fall on top of one another, but we pulled it off well. The highlight of the year will certainly be our first exchange trip with Barrie, Ontario. So when you hear the strains of "Planet Claire" floating down the hall, you'll know the orchestra is preparing to break international barriers with universal appeal of music

The Madrigal Singers rarely sing madrigals, (Elizabethan love songs), but they sing almost everything else! From the "Hallelujah Chorus"-Messiah, to "Movin' Right Along"-Muppet Movie, with Spirituals, Sacred and popular choral music in between, they sing varied music for their varied audiences. Their audiences have been at open houses, tree lightings, luncheons, dinners, teas, coffees, contests, Delta College, Central and Jefferson choir classes, as well as the traditional Christmas and Spring concerts for the general public. Membership in the group is through audition by Mr. Noneman, and consists of a busy, fun group to be in the Madrigal Singers!

The first semester of choir's highlights were going to Fashion Square Mall to perform, singing in Renaissance Fair with a band accompanying, and especially a concert at Central Intermediate where we sang Handel's Messiah, the "Hallelujah Chorus." The orchestra accompanied the choir, which made the occasion even more special. The second semester the second hour choir was made into an all-female chorus. Special emphasis was then put on training the ear for pitch imageries and developing a quality tone.

The Dow High Pep Club is new this year and filled with many high spirited charger fans. The D.H.P.C. is proud to attend every sporting event at least once during their season to cheer them on to victory. The D.H.P.C. was organized to acknowledge all those people who continually show their support for Dow sporting events. Hopefully the representation will grow annually to show the enthusiasm and respect charger fans have for the hard working athletes and their very fine school.

The 1980 Presidential election was a three man race between independent John Anderson, Democrat Jimmy Carter, and Republican Ronald Reagan. It was said by all news reporters that the election would be "too close to call" between Reagan and Carter but the actual event was a landslide. President elect Reagan won the election taking 483 electoral votes compared to Carter's 49. So here's our 40th President of the United States, Ronald Reagan.

This has been a year of hope and disappointment for the 52 American hostages in Iran. It has been a year since they were first "imprisoned" in the American embassy in Tehran, with one unfortunate abortive attempt at their rescue in April 1980. The impending change of leadership in our country and Iran's current war with Iraq, are used as reasons for their not being released imminently. Because of this we are accustomed to seeing Arabic graffiti in our news magazines and are all too well aware of the war's effect on the world's oil supply; ships of all nationalities wait it out in Aqaba harbor.

Bob, you are quite radical, but I  
 admire you for your behavior in  
 French. You're quite a stylish guy  
 keep up the work. See you this  
 summer and next year.

This was a year of natural disasters. Mount St. Helens in the state of Washington continued to erupt in the successive months after its first outburst in May 1980. After a devastating drought due to record heat in the south during the summer of 1980, the San Bernardino forest fires, the earthquake near Naples, Italy and the total loss of the MGM Grand casino/hotel in Las Vegas, Nevada, were in the news in quick succession.

"The Preppy Look" is the fashion world's label for the return of the prep school-like wardrobe popular 20-25 years ago. "Traditional" is the word to describe: plaid skirts (even kilts), blazers, loafers (and its updated counterpart-top-siders), and monograms on crew neck sweaters. Jeans have been "in" for some time now, but Calvin Klein is promoting "designer jeans."

Where but Saudi Arabia does the head of state drive in a car that gets a wowzer 3 mpg? The president elect might be seen in a limousine but for the average person—the small car is in. With the foreign car invasion, the American auto industry is in bad shape. Competition includes the Renault 181, the Mazda X57, and the Mercedes 300 SD—considered to be far advanced in performance and in gas conservation. Ford, you're in trouble.

you're a really  
sweet guy.  
Take care.

## The Game

This year there have been many events in the news. J.R. was mysteriously shot by an unknown assailant and the whole world waited with baited breath to find out who the assailant was. This year we find out that the witchy Kristen shot him. Also the world-famous ex-Beatle John Lennon was shot by an enraged fan; Lennon just was making a come-back with his hit "starting over." Steve McQueen died from cancer this year leaving many unhappy fans behind. On the brighter side "The Urban Cowboy" starring John Travolta cheered us up with some honky tonking jams, "Flash Gordon" flashed the world with "Queen" as a backup. Streisand and Gibb also hit us with their best shot with "Guilty." "Private Benjamin" starring Goldy Hawn has us all laughing until we cried. "Another One Bites the Dust" helped us all cheer on the Detroit Lions this season.

13. Bob. It's been nice knowing you  
this year. You're a real super guy.  
I've never seen a guy who was  
the kind of boss that you had.  
You did to school this year  
along with your job. Geometry  
wasn't exactly fun because of  
the teacher and well, but  
the people were  
great.

Hope you have a  
super summer.
